THE THERAPEUTIC CARING

**YARNING ABOUT CHILDREN
WITH CHALLENGING
BEHAVIOURS AND HOW TO
HELP THEM HEAL**

Tuesday 3rd December 2019

10:00-3:00 pm

Morwell Bowling Club

52 Hazelwood Rd, Morwell VIC 3840

This culturally informed trauma-attachment training will assist carers to explore the reasons behind challenging behaviours. It also introduces foster and kinship carers to a therapeutic approach to parenting called PACE (Playfulness, Acceptance, Curiosity and Empathy). At this one day session you will learn:

- The reasons why children in care present with challenging behaviours
- Develop a culturally informed understanding of trauma and attachment
- PACE parenting- An everyday parenting approach that actually works!
- How to build strong healthy relationships with kids in your care and how to help them heal from the trauma
- How to respond to difficult behaviours
